# Radio Astronomy IG

**Mark Kettenis & ...**

**IVOA Interop, Maryland, 2 June 2025**

# Recent Radio IG activities

- Radio ObsCore Extension
  - ~~Proposed Recommendation~~ -> (Draft) Note
    - 2nd prototype implementation @CADC
- Lots of collaboration with new HEIG
  - ObsCore commonailties
- SKA: First (working) hardware on the ground
  - Lots of activity in SRCNet developing data access
    - Mostly in DSG (science platforms) and DM (CAOM-based archive)
    -
