

IVOA INTEROP — SHANGHAI — 2017-05-15

TIME DOMAIN INTEREST GROUP

VOEVENT FOCUS SESSION

MONDAY (TODAY), 16:00, ROOM E

- ▶ News on current VOEvent system deployments.
- ▶ Discover the new alert system being developed for ZTF & LSST.
- ▶ Discussion: future directions for VOEvent.

TIME SERIES: JOINT TDIG/DAL/DM SESSION

THURSDAY (18 MAY), 14:00 & 16:00, ROOM D

- ▶ Time domain identified as a priority area by IVOA.
- ▶ Lack of an effective time series representation in the VO is a long-standing issue.
- ▶ Now getting cross-working group traction.
- ▶ These sessions will address the state of the art and ensure we have a coherent vision as we move forwards.
- ▶ Come & make sure your use cases are being addressed.
