

Theory Interest Group

(Opening session)

Carlos Rodrigo Blanco^{1,2}

¹CAB,INTA-CSIC

²Spanish Virtual Observatory

IWOA Interoperability meeting
Shanghai, May 2017

- No specific theory session in Shanghai.
- 2017 plans:
 - Working on SimDAL implementation note.
 - explaining implementation details for several cases (and by different groups)
 - informal meeting/discussion during the interop to organize it.
