

# P3T

Janet Evans & P3T Tiger Team

Nov Interoperability meeting in Malta  
2024-11-15

# P3T Plenary Session

Session: Friday, November 15, 2024 @14:00-15:30 CEST (Session #3) Room: Aula Magna

Speaker	Title	Abstract	Materials	Time
Janet Evans	Intro ...		<a href="#">slides</a>	1
Joshua Fraustro	UWS Through <b><u>OpenAPI</u></b>	A look at describing the UWS standard through an <u>OpenAPI</u> document, in stepped changes, and the effects on standard readability.	<a href="#">P3T-Nov2024-Fraustro.pdf</a>	12
Pat Dowler	TAP-1.2 (1.1 + user table extension)			12
Russ Allbery / Stelios Voutsinas	Potential for Standards Layering	A proposed layering approach for writing new IVOA web standards or major revisions of existing standards that separates semantics from encoding more completely, and an attempt to align the layering of documents with the layering of reusable library APIs.	<a href="#">slides</a>	12
Dave Morris	[Experience prototyping a new service with <u>OpenAPI</u> : Execution Broker]			12
Brian Major	Summary	Summary, what we learned, and potential next steps.	<a href="#">slides</a>	2
All	<i>Questions/Discussion on Future - Brian Major Moderate</i>			40
