Radio Astronomy IG

Mark Kettenis & ...

IVOA Interop, Maryland, 2 June 2025

Recent Radio IG activities

- Radio ObsCore Extension Note
 - Clarification of single-dish observing modes
 - Some further editing
- Ongoing collaboration with HEIG
- Advanced Data Products Coordination Group formed
 - ALMA, SKAO, LOFAR, VLA, ESO
 - Radio IG chair has been invited to their meetings

Radio IG this Interop

- No dedicated Radio session!
- **DM session on ObsCore and Extensions** (Nov 15 @14:00 CET)
- Other interesting talks:
 - Pat Dowler's talk on CAOM 2.5 (same DM session)
