

Data Curation & Preservation

Françoise Genova
Sydney Interop, P1

Two hot topics

- DOIs : a strong trend, more and more felt as a requirement by data producers to implement DOIs for their data
- The Research Data Alliance (RDA) continues to develop very fast (3200 members from 100+ countries after 2.5 years)

DOIs - Overview

- Saturday Oct. 31, 09:30-10:30
- Plenary session
- Two talks
 - Introduction (F. Genova)
 - DOI Overview (A. Accomazzi)
- Discussion
- Note also the Registry session DOIs/technical, Sun Nov. 1, 09:00-10:30

RDA

- Hosted in the Semantics session
- Sunday Nov 1st, 11:00-12:30
- Topics of interest for the IVOA
