

# Operations IG

Chair: Mark Taylor  
Vice-Chair: Steve Groom

IVOA Interop Meeting  
Groningen  
11 October 2019

`$Id: ops-preview.tex,v 1.4 2019/10/10 18:50:06 mbt Exp $`

# Activities

From Operations Interest Group Charter (paraphrase):

*Coordinate and publicize activities facilitating robust operations of distributed astronomy applications, particularly IVOA ones based on IVOA protocols.  
Specifically:*

- *Publicise monitoring services*
- *Promote discussions increasing implementation reliability*
- *Summarise availability, quality and usage statistics*
- *Assess validation capabilities required as part of standards review process*

# Ops Session

Saturday 11:00–12:30, Student Hotel
