

# Operations IG

## Organisation:

- Chair: Mark Taylor
- Vice-chair: Steve Groom

## Interests:

- Discussion of operational issues
- Service monitoring: conformance to standards, reliability
- Validation tools: provision and use
- Feed back operational concerns/observations:
  - ▷ Work with service operators to improve services
  - ▷ Work with other WGs to address standards issues

→ *Promote successful operation and usage of VO services*

## Wednesday 19 Oct, 22:00–23:00 UTC (Session #11):

Euro-VO Registry Weather Report — Christophe Arviset

HEASARC Site Report — Tess Jaffe

Operations Status, Progress, Issues — Mark Taylor ← *DAL*

+ *discussion*
