

Vocabulary Access

IVOA Interop Meeting , Santiago , Oct, 2017

Mireille Louys, Semantics WG

Access to IVOA vocabularies

All vocabularies including UCDs should be available at ivoa.net repository

Possible formats : csv, RDFa, RDF/XML, others.

`ivoa.net/vocabularies/ucd/ucd-1.3-20170502/`

`ivoa.net/vocabularies/datalink/...`

Simulation parameters skos concepts

- Updates of the access via persistent url

`purl.ivoa.net/vocabularies/theory` → `purl.obspm.fr`

- Ask for a remote curation by the interest group

Draft page for ivoa.net

VocabularyTestPage under Semantics

How to proceed for modification of IVOA repository ?
