

# IVOA VOQL

---

Opening Plenary Session  
Strasbourg Interop meeting  
May 25-29 2009

# Very quiet VOQL group

---

- *“Después de la tempestad, la calma”*
- Basically no activity since approval of the ADQL document after last Baltimore interop
- All people concentrated in TAP: good. This will test the language. We will learn what is needed for the future

# One single session

---

- Benjamin Guffler:
  - ADQL Samples Document
  
- Jeff Lusted:
  - Complex Queries: Ideas for a VOQL

# VOQL group status

---

- End of term reached. Chair free.
