Time Domain Interest Group (TDIG)

One Session: Friday @ 4pm, (Black Bear (*or other*))

- Status of Documents

    - **SimpleTimeSeries** (STS)

        o How to move forward as an '*Endorsed Note*'

        o Presentation in DM II Session (Sat 11am, Black Bear)

            - STS is a *stopgap* format, need a formal REC from the WGs

            - Will review discussion from TDIG session

    - **VOEvenRegExt** (VOERegExt)

        o Resolve comments so we can proceed to REC

    - **VOEvent Transport Protocol** (VTP)

        o Unchanged since Madrid, comments needed to proceed

Time Domain Interest Group (TDIG)

One Session Friday @ 4pm, (Black Bear (or other))

- Organizational Matters

  - HotWired IV, May 12-15, Santa Barbara, CA
    - *Engage community on their own turf, report back*

  - Wiki Page updates, can we make better use of it, etc
    - *Open action item*
